DECLARATION OF CLIFTON W. THOMPSON

I, CLIFTON W. THOMPSON, declare and say as follows:

1. I am an attorney with the law firm of Oppenheimer Wolff & Donnelly LLP, located at 2029 Century Park East, 38th Floor, Los Angeles, CA 90067, which represents Applicant, EVERY DENNISON CORPORATION, et al.

2. All of the inventors of the subject matter of the above-referenced application have assigned their rights in the invention to Applicant, EVERY DENNISON CORPORATION, and have authorized and given a power to the Assignee of their rights, the Applicant herein, to apply for and obtain patents before International Authorities, and copies of the Assignment Agreement including such power of attorney is attached as Exhibit A. Applicant, EVERY DENNISON CORPORATION, has given a power to our firm to prosecute the above-referenced application on its behalf, a copy of that power is filed concurrently herewith.

3. One inventor, Ghanshyam H. Popat, refuses to cooperate in the prosecution of this application and has refused to sign the assignment document, including the power of attorney referred to above. A copy of Mr. Popat's employment agreement, which includes the obligation to cooperate in obtaining patents on the subject matter of all inventions made while he was an employee of AVERY DENNISON CORPORATION, and to assign all rights in such inventions to the Applicant, AVERY DENNISON CORPORATION, is attached as Exhibit B.

4. On information and belief, Applicant, AVERY DENNISON CORPORATION, has made reasonable efforts to obtain the cooperation of Mr. Popat; and, I personally have contacted Mr. Popat by telephone, in the course of which telephone conversation Mr. Popat indicated that he would not cooperate or sign the required paperwork.

I further declare that all statements made herein of my knowledge are true, and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States code and that such willful false statements may jeopardize the validity of the above-identified patent.

ASSIGNMENT

WHEREAS, we, JAY R. AKHAVE, TIMOTHY R. ECKHARDT, PAUL B. GERMERAD, PRADEEP S. IYER, MARK A. LICON, GHANSHYAM H. POPAT and JESSIE C. REAVES, the undersigned inventors and the ASSIGNORS herein, have invented CONTROLLED DROPLET-FORMED LAYERED STRUCTURES, for which we have filed application for Letters Patent of the United States, which application has been executed by each of us and of which inventions and improvements we are the joint owners; and

WHEREAS, AVERY DENNISON CORPORATION, a Delaware corporation, located at 150 North Orange Grove Boulevard, Pasadena, California 91109 (hereinafter, together with any successors, legal representatives or assigns thereof, called "ASSIGNEE"), desires to acquire the entire right, title and interest in and to said inventions, applications and Letters Patent to be granted and issued thereon.

NOW, THEREFORE, for and in consideration of the sum of One Dollar (\$1.00) by the ASSIGNEE to us paid, and other valuable consideration, the receipt and legal sufficiency of all of which is hereby acknowledged, we, the said ASSIGNORS, have sold and do hereby sell, assign, transfer and set over unto said ASSIGNEE, its successors and assigns, the entire right, title and interest in and to said inventions and all improvements thereon, in and to said application for Letters Patent thereon, in and to applications pertaining to or based upon said inventions and applications, including divisional and continuing applications and continuations-in-part, and in and to any and all Letters Patent which may be granted and issued on said inventions and applications, or any of them, not only for, to and in the United States of America, its territories and possessions, but for, to and in all countries foreign thereto, together with and including all priority rights based upon any and all applications in the United States of America covered by this Assignment, including the right to sue in its own name for past infringement.

And for the above-named considerations, we do hereby agree that we will, at the request of said ASSIGNEE, execute any and all applications for Letters Patent for said inventions and any and all other papers and documents and do all other and further lawful acts that said ASSIGNEE may deem necessary or desirable to obtain Letters Patent on said inventions, to secure the grant of such Letters Patent and to perfect and vest in the ASSIGNEE the entire right, title and interest in the inventions, applications and Letters Patent.

And for the above-named considerations, we do hereby authorize and empower the ASSIGNEE, its successors and assigns, to apply for and obtain, in its or their own names, Letters Patent for the said inventions before competent International Authorities and in any and all countries foreign to the United States in which applications for Letters Patent can be so made or Letters Patent so obtained.

In consideration of employment by Avery and the compensation to be paid by Avery for Employee's services, Employee hereby acknowledges that he or she understands and agrees that the provisions hereof are part of his or her employment with Avery.

DEFINITIONS

As used herein, "AVERY" shall mean Avery International Corporation and any of its subsidiary or affiliated corporations and entities; "Client" shall mean any person or entity with whom AVERY conducts business or from whom AVERY or Employee obtains information; "information" shall mean any information or knowledge, including matters of a technical nature such as know-how, formulae, secret processes or machines, inventions, studies, research projects, development plans and matters of a business nature, such as information about costs, profits, sales, markets, customer lists and other data not available to the public; and "employment" shall include employment for hourly wages, for salary, or as a consultant.

NATURE OF EMPLOYMENT

The parties recognize that the business of AVERY and the nature of Employee's employment will permit Employee to have access to information of AVERY and its Clients, that such information is the property of AVERY and/or its Clients, and that any unauthorized disclosure thereof may be highly prejudicial to their interests. The parties further recognize that Employee may, during the term of his or her employment, make discoveries, inventions, contributions or improvements.

CONFIDENTIAL INFORMATION

During and after his or her employment with AVERY, Employee will not disclose or appropriate any information for his or her own use or to the use of others, except as has been expressly authorized in writing by an officer of AVERY. Employee shall not remove any writings containing information from the premises or possession of AVERY or its Clients unless Employee has obtained express authorization in writing by AVERY to do so.

Furthermore, Employee will deliver promptly to AVERY on termination of such employment, or at any time AVERY may so request, all copies of writings containing information which Employee may possess or have under his or her control.

INVENTIONS AND PATENTS

Employee will treat as belonging solely and exclusively to AVERY or AVERY'S nominee, and will fully and promptly disclose and assign to AVERY without additional compensation, all ideas, discoveries, inventions, contributions and improvements, whether patentable or not, which in any way relate to AVERY'S business or interests or which result from tasks assigned to Employee by AVERY, and which, while Employee is so employed, are made, conceived or reduced to practice by Employee, alone or with others, during or after usual working hours, either on or off Employee's job. Employee agrees, at AVERY'S expense at any time during or after such employment, to sign all papers and do such other acts and things as AVERY may reasonably require of Employee to protect AVERY'S rights to said ideas, discoveries, inventions, contributions and improvements, including applying for, obtaining and enforcing patents thereon in any and all countries.

RESERVED INVENTIONS

On the bottom of the document is a complete list of all inventions, if any, patented or unpatented, presently owned by Employee, including a brief description thereof, which were conceived or made wholly or in part by Employee prior to Employee's employment by AVERY and which Employee wishes to exclude from this Agreement and Acknowledgement of Obligation.

EXISTENCE OF ANY CONFLICTING AGREEMENT

To the best of Employee's knowledge, there is no other contract to assign inventions that is now in existence between Employee and any other person, corporation or partnership unless Employee has so indicated on the bottom of this document and unless a copy of any such other contract is attached hereto.

ACKNOWLEDGEMENT AND EFFECTIVE DATE

Employee acknowledges receipt of a copy of this Agreement and Acknowledgement of Obligation and agrees that all Employee's obligations hereunder shall be binding upon Employee's heirs, assigns and legal representatives. This Agreement and Acknowledgement of Obligation supersedes any existing agreement entered into by Employee and AVERY relating generally to the same subject matter and shall be effective as of the date the Employee commenced or commences employment with AVERY. If any provisions herein or any portions of such provisions are held unenforceable or invalid by a court of competent jurisdiction, the enforceability and validity of the remaining provisions or portions shall not be affected thereby.
